ENVIRONMENTAL POLICY

Geopure LLP recognises that it has a responsibility to the environment beyond legal and regulatory requirements. We are committed to reducing our environmental impact and continually improving our environmental performances as an integral part of our business strategy and operating methods.

Responsibility

David Myers is responsible for ensuring that this environmental policy is implemented, however, all employees have responsibility in their area to ensure that the aims and objectives of this policy are met.

Policy aims

We endeavour to:

-  Comply with all relevant regulatory requirements.
-  Continually improve and monitor environmental performance.
-  Continually improve and reduce environmental impacts.
-  Incorporate environmental factors into business decisions.
-  Increase employee awareness.

Paper

We will:

-  Seek to buy recycled and recyclable paper products.
-  Reuse and recycle all paper products where possible

Energy and water

We will seek to:

-  Switch off lights and electrical equipment when not in use.
-  Adjusts heating with energy consumption in mind.
-  Take energy consumption and efficiency of new products into account when purchasing them.

Office supplies

We will:

-  Evaluate if the need can be met in another way.
-  Favour more environmentally friendly and efficient products wherever possible.
-  Reuse and recycle everything we are able to.

Transportation

We will:

-  Reduce the need to travel, restricting to necessity trips only.
-  Promote the use of travel alternatives such as e-mail or phone/video conferencing.

Maintenance and cleaning

We will:

-  Use cleaning materials that are as environmentally friendly as possible.
-  Only use licensed and appropriate organisations to dispose of waste.

Monitoring and improvement

We will:

- 💧 Comply with all relevant regulatory requirements.
- 💧 Continually improve and monitor environmental performance.
- 💧 Continually improve and reduce environmental impacts.
- 💧 Incorporate environmental factors into business decisions.

Culture

We will:

- 💧 Update this policy at least once annually in consultation with staff and other individuals where necessary.
- 💧 Involve staff in the implementation of this policy, for greater commitment and improved performance.
- 💧 Use local labour and materials where available to reduce CO2 and help the community.

David Myers
